**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Sonic is providing my fiber based gig speed internet at a price much lower than Comcast/Xfinity and much faster than any current offering than ATT. Today everyone should have high speed internet at the best affordable price. Competition makes the price more affordable and the speed as fast or faster than what the big telecoms offer.
